SJK Creations

ACADEMY OF FINE JEWELLERY DESIGN

**Hands in motion
Designer in creation**

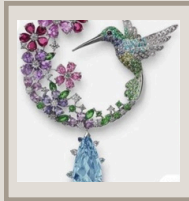

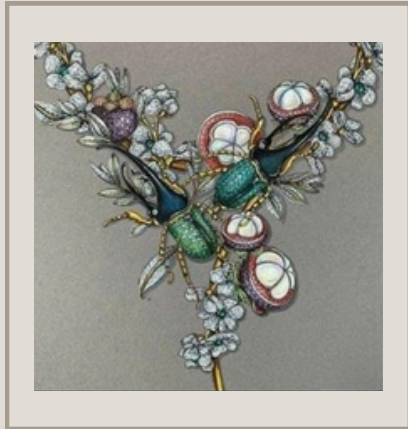

ACADEMY OF FINE JEWELLERY DESIGN

Trivandrum's FIRST Jewellery Design Institute

To empower the next generation of jewellery professionals by providing industry-relevant, comprehensive training in traditional craftsmanship, modern technology (like CAD), and business acumen.

To be a leading institution recognized globally for producing highly skilled, innovative, and market-ready jewellery designers and entrepreneur.

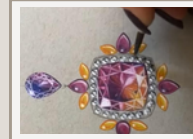

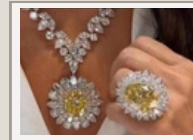

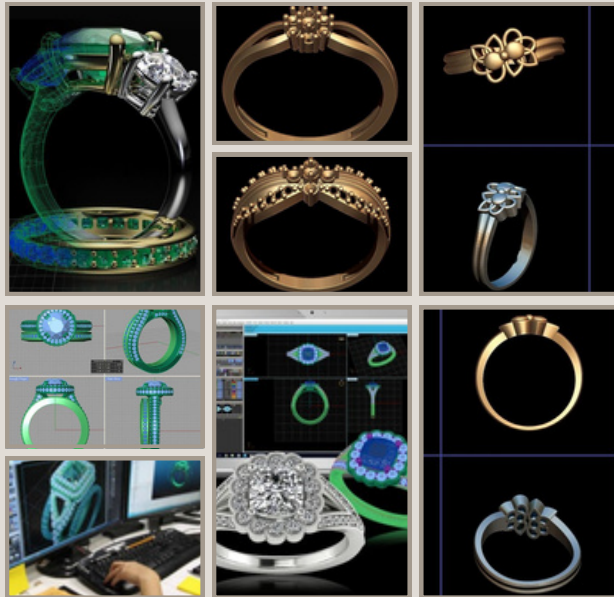

“Design That Speaks.”

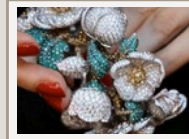

“Where Every Gem Find Its Story”

CAD Rendering

“Design out loud.”

Sketching and rendering: Learn to hand-sketch different jewellery pieces, render gemstones, and create realistic textures for precious metals.

3D Modeling: Creating 3D models from scratch, adding details, and developing designs using industry-standard software.

Rendering and Presentation: Generating realistic images of your designs to create a professional portfolio.
